

# NO TRUMP Republicans on the Newton City Council!

In the Ward 3 Ward councilor race, **vote Julia Malakie**, because her challenger is an anti-environment, conservative Republican sympathetic to Trump wing of the GOP.

From a 2017 Newton Tab article about the “Welcoming City” ordinance, approved by then-Mayor Setti Warren and the Newton City Council, which protects undocumented immigrants from harassment:

Ward 3 Councilor at-large Jim Cote characterized the ordinance as “grandstanding.”

“The reality is we didn’t even need it,” Cote said. “There has been no issues, the police have had no problem, the police haven’t asked for any guidance.”
